Education

B.Tech in Computer Science & Engineering

2024 – 2028

Aditya University, Surampalem, Andhra Pradesh, India

- **Relevant Coursework:** Full Stack Development, Advanced Data Structures & Algorithms, DBMS, Operating Systems, Computer Networks, OOPs, Software Engineering.

Projects

AegisX – Mini SIEM & Intrusion Detection System

2026

- Designed and implemented a web-based Security Information and Event Management (SIEM) platform for real-time.
- Developed log aggregation and event correlation engine to track authentication attempts, API access patterns, and suspicious activities.
- Implemented brute-force detection, anomaly - based behaviour analysis and automated IP blocking mechanisms.
- Tech Stack: Node.js, Express.js, PostgreSQL, JWT, WebSockets.

Thunder Thursday – College Event Management Application

2026

- Built a full-featured college event platform with all event app features.
- Implemented verification based authentication and JWT-secured backend APIs.
- Developed live voting system and event update system.
- Tech Stack: Flutter, Node.js, Express.js, PostgreSQL, Firebase.

ShieldX – Web Application Security Framework

2025

- Designed and developed a static e - commerce website for showcasing cyber security tools and products.
- Built responsive UI using HTML and CSS with structured layout and product layout sections.
- Implemented clean navigation structure and user-friendly interface design
- Tech Stack: Node.js, Express.js.

Skills

Programming & Scripting: C, C++, Java, Python, Dart, JavaScript, SQL

App Development: Flutter

Web Development: HTML, CSS, JAVASCRIPT, React, Node.js, Express.js, REST APIs

Databases: PostgreSQL, MongoDB Atlas

Security: JWT Authentication, OWASP Principles, Secure Coding Practices

Core Concepts: Operating Systems, DBMS, Computer Networks, Data Structures

Tools & Platforms: Git, GitHub, VS Code, Android Studio, Firebase, Postman

Certifications

Cisco Network Academy (NETACAD): Python Essentials 1, Programming Essentials in C C++, Operating systems Basics.

Coursera: Database Management System, Operating Systems, Artificial Intelligence, Python, HTML, CSS and JS.

Global Certifications: Microsoft Office Specialist Excel 2019 Associate, Microsoft Certified Power Platform Fundamentals.

Cyber Security: Kitech - Vista Pvt Lmt.
